Dear Parents and Carers,

It is the goal of the Music Department to provide an enriched musical education for all Scots boys. Our classroom and Co-Curricular programs give Scots boys an unprecedented level of access and exposure to music of all styles taught by a fantastic team of professional musicians and distinguished pedagogues.

A part of the Elective Music program requires students to compose music for real and electronic instruments, enhancing their knowledge of music theory, instrumentation and the concepts of music. Students are given various tasks over the year allowing them to work on their own while also developing their skills in project management and creative thinking.

You are invited to attend our Composition Showcase which will provide an opportunity for students to have their works heard in a live setting. It is a thrilling moment for a composer to have their composition performed or played back for the first time in public - we hope you might be able to share in this moment as well.

The Composition Showcase is on Wednesday 7 September at 6:30pm in the Coote Theatre.

I look forward to seeing you there.

Kind regards

Paul Vickers
Director of Music
