5 September 2016

Dear Boys and Parents,

As communicated in the Music Department Calendar, updated and emailed on July 27th, on Tuesday 20 September 2016 (last day of Term 3) Wind Band A have the opportunity to perform at the annual Coogee Preparatory School Music Concert, held in The Scots College Auditorium.

Wind Band A is playing first in the Coogee Program, so a prompt arrival with instrument at 5pm is required. The concert begins at 6pm, the boys are able to leave after they perform (approximately 6:15pm) however we encourage both boys and parents to watch the concert.

Due to the early concert time, boys will not be provided dinner, we recommend they bring a snack on the day.

This has been planned to provide the boys an opportunity to develop their performance skills and to build community relations with surrounding schools.

Yours Sincerely,

Paul Vickers

Director of Music
