Dear Parents and Boys

RE: Year 7 Music Co-Curricular 2017 – Experienced Musicians

Sincere thanks for completing the online form with your musical experience. We are delighted to welcome so many experienced musicians into Year 7 next year.

Our experienced musicians will be part of the 7-12 Co-Curricular Music Program on Monday afternoons from 3:05pm-5:00pm. Suburban school buses run at 5:15pm for those boys needing this service.

All members of this program are expected to be undertaking private instrumental tuition. Boys’ lessons may be undertaken outside of the College or with one of our professional staff in the Centenary Centre. To register for lessons at the College please go to https://goo.gl/forms/HXPBTb8MWeC ccq2

Once registered, your details will be passed on and you will be contacted (in Week 1 or 2 of 2017) by your son’s instrumental tutor.

Dedicated and regular practice is expected of all boys including one practice session per week in the Music Department called a drop-in session. Election of a drop-in session should be completed on the slip at the bottom of this letter and returned to the music department.

Please encourage your son to maintain a regular practice schedule over the remainder of the summer break as he will be auditioning in Week 2 to be placed into the most appropriate ensemble for his musical level and experience.

We look forward to another exciting year for Music at Scots in 2017.

NB: Please see overleaf drop in session preference selection.

Yours sincerely,

Mr Paul Vickers
Director of Music
